Through The Director of Public Instruction in Mysore,
Bangalore

Sir,

With reference to Government order No L 1357-8/11 37-30-14 dated 14th August 1930 sanctioning the contribution from the Municipal funds of Holenarsipur of a sum of Rs 3000/- for the construction of a High School Building at the place and G O No L 9808-10/11 37-30-103 dated 11th June 1931 sanctioning the payment of additional contribution of Rs 6000/- for the same purpose, I have the honor to state that it is specified in the first order that the funds should not be operated upon unless the entire cost of the building is forthcoming

2 A Sub Committee was appointed coopting the marginally noted gentlemen to prepare the estimate as per plan approved by Mr G H Krumbiegel and the Director of Public Instruction The Committee accordingly furnished an estimate for Rs 16275/- which was duly approved by the Municipal Council and the Municipal High School Committee at their meetings held on 5th October 1931 and 22nd November 1931

@
(1) Mr B Anantharamiengar, Retd P W D Sub Division Officer
(2) Mr P Rajagopalan, B E , Assistant Engineer, Holenarsipur

respectively The High School Committee have also ~~the~~ authorised the President to call for tenders and arrange to put the work on hand immediately Needful action is accordingly being taken in this direction

3 As regards providing necessary funds for carrying out the work the funds so far available aggregate to Rs 15481/- as detailed in the margin As the prices of timber and tiles have now considerably decreased and the work will be executed on the cheapest tender in consultation with the Executive Engineer, the amount now available is quite adequate for commencing the work without further delay It is also likely that some savings may be effected in the actual execution

@

(1) Municipal Contribution	Rs 9000/-
(2) Contribution from the Sree Lakshmi Narasimha Co-operative Society, Ltd , Holenarsipur	Rs 3000/-
(3) Public Subscriptions collected	2000/-
(4) Town Progress Committee Fund	481/-
(5) Building materials collected	1000/-
Total	15481/-

4 I therefore request you to be good enough to obtain early sanction of Government to the estimate and authorise the Committee to call for tenders and commence the work The Municipal Contribution of Rs 9000/- may be kindly allowed to be drawn and deposited in the Savings Bank for this purpose at the credit of the President, High School Committee I also request Government to permit the School Committee to coopt the Executive Engineer, Hassan and Asst Engineer, Holenarsipur as members so that they may supervise the work in their capacity as members of the Committee I may add that such a procedure was adopted in the case of the Public Library Building at Tumkur last year

The plans and estimate are herewith sent for kind perusal
